NEWS NOTES

Meers, V. O. French and E. R. Chandler are in Edmonton to-day attending the anniversary of the I.O.O. F. Lodge in that city.

Every business man of Wetaskiwin should constitute himself a publicity agent and assist in the chorus of praise for the town and district.

Spring has opened up in the Wetaskiwin district in a way that, should delight every rancher and grain grower in the district.

Street railway development is keeping up an steam road in the West this year. Regina and Moose Jaw will have lines running by the fall.

Regina, April 4.—As a result of the Saskatchewan express leaving the rail a mile and a half from Jamieson, ten miles south of the city, and subsiding.

Work on the Methodist theological college at Strathcona, has been completed. The institution when completed will cost one hundred thousand dollars and will be one of the finest buildings in the province.

On the day of the eruption of Mt. Pelee, before the lava had reached the cave and Basin were speaching with unusual activity, the water boiled up from four to six inches above the surface of the pool.

Red Deer boasts that the new motor wagon being used by postmaster Gault to convey the mails to and from the station is the only service of its kind between Winnipeg and the coast.

The Imperial Bank management have just given notice to their shareholders that on the 30th day of this month dividend No. 73 will be issued being at the rate of 11 per cent per annum.

E. Trowbridge, assistant clerk of the executive council of the provincial government, has been appointed deputy provincial secretary to fill the vacancy caused by the resignation of Harold W. Riley, who vacated the office last week.

Camrose, Alta., April 5.—Seven car loads of settlers' effects arrived here last week. The new settlers are farmers from Iowa and have purchased considerable land in this district. Seedling has begun in this district and the farmers are busy everywhere on the land.

The express business which has hitherto been handled by the Railway Company will in future be managed by the express company. Mr. Taylor, of Calgary, arrived in the city the first of the month to assume the management. The express office will be in connection with the new station but we understand that all express parcels will be delivered by the company.

Edmonton, April 4.—A daring attempt, to escape on the part of a convict in Edmonton penitentiary was made Sunday morning when Pennington, of Calgary, in four years, broke from the rank as they were going to service in the chapel, and endeavored to get away. He was snatched by a guard in the arm, after the guard had called to him to halt. This is the second attempt in as many weeks on the part of convicts to escape.

Edmonton, April 5.—One thousand laborers are still needed here for railway construction. Three hundred of these are needed for the C. P. R. west, and six hundred at least for branch lines of the C.N.R. and B.T.P. to Calgary. Employment agencies are compelled to go to other provinces to secure sufficient there to fill demands.

It is stated that 30,000 immigrants will sail from Liverpool for Canada in twenty-three steamers during this month. The increasing proportion of people with capital emigrating to the Dominion is subject to comment in London. Interest is aroused in Liverpool by suggestion that hotels be provided for emigrants who have to wait before shipping offices are open and who are often exposed to inconvenience by lack of accommodation.

Montreal, April 3.—A party of 30 families comprising some 170 people, passed through Montreal yesterday, on their way to Calgary where they will assist in the improvement of the C.P.R. under the "ready made farms" scheme recently inaugurated by Sir Thomas Shaughnessy. The farmers who were chosen from over a thousand applications were men of a class of British settlers seldom seen in this country until now. They were all evidently well to do, in fact, the party brought with them \$150,000 in ready money as well as many carloads of baggage and farming supplies.

CITY NEWS

J. Bustin went to Calgary to-day to attend the horse show.

Hayden Newton, of Gwynne, passed through the city Tuesday evening on his way to Calgary, on business.

Rev. J. B. Hogg and family are spending the week with friends at Camrose.

A meeting of all those interested in baseball will be held in the Fire Hall Monday Night at 8 o'clock.

John Odwyer, who arrived in the city a few days ago will open a gymnasium shortly.

The alterations in the city hall are about completed. A nice large bed room has been built upstairs and will be furnished for the fire boys.

W. Waldruf has added the third chair to his tonorial parlors, with Bert Deth, who has returned from the homestead in charge.

Mr. Rick, who has been night operator at the station here for some time has been transferred to Lacombe where he is day operator. He is succeeded by Mr. C. McCallis, who recently arrived from Ontario.

E.D.H. Wilkins was at the Capital this week on professional business.

Frank Rodgers, of Clinton, Ont., arrived in the city on Saturday last to accept a situation with Chas. H. Boyer, merchant tailor.

Mr. and Mrs. R. H. Allen, of Boston, Mass., spent a few days of the past week at the home of Mr. and Mrs. J. H. Knight. They have been visiting friends at Los Angeles and were returning home via the C. P. R.

The meeting to organize a tennis club in the city was not largely attended as desired. After considering the matter at some length the following officers were appointed: President, Mr. J. H. Knight; Secretary, Mr. W. M. Massey; Treasurer, Mr. J. H. Knight; Executive, Mr. J. H. Knight; and Honorary Members, Mr. J. H. Knight and Mr. J. H. Knight.

The meeting to organize a tennis club in the city was not largely attended as desired. After considering the matter at some length the following officers were appointed: President, Mr. J. H. Knight; Secretary, Mr. W. M. Massey; Treasurer, Mr. J. H. Knight; Executive, Mr. J. H. Knight; and Honorary Members, Mr. J. H. Knight and Mr. J. H. Knight.

EDMONTON MUSICAL FESTIVAL

There is a good deal of interest being taken here in the coming musical festival to be held here in May at Edmonton. We understand that Mr. Hughes is trying to get the Amalgamated Choir to compete again. Any basses or tenors that would like to take part, please call and see Mr. Hughes at once. Full practice next Monday at 8 o'clock.

JIMMIE FAX COMING

Jimmie Fax, the peerless comedian who has spread the laugh in the West during late years in a way that no other entertainer has come near equaling is to appear at Angus Hall here on the evening of Wednesday, April 20th. Mr. Fax in his tour is assisted by a company of talent that makes the entertainment better than ever. Miss Ida George Elliott comes highly recommended as a great American soprano and Miss Florence Calhoun is well known to many as a dramatic reader of deserved prominence. Mr. Hartwell DeMille is the baritone of the group and Miss Agnes Quigley is pianist.

U. G. STOWELL BOYS PRIZE CAT

U. G. Stowell, of Lewistown, attended the auction sale of pure bred cats at Lacombe last week and purchased three of the best Abyssinian cats that were ever brought into the country. These cats were brought west a few weeks ago by J. G. Clark, the famous breeder and importer, of Quebec.

The stock Mr. Stowell purchased was catalogued as follows:

Lilly of Tachereau, 2362, mostly white, calved May 5, 1904, bred by Jas. Elliott, of Tachereau, Que. Sire McKensie of St. Anne, No. 16367, Dam, Lady Hilton, No. 15854.

Nettie of Cairns No. 23097, white and red, calved April 27th, 1905, bred by John Lang, Cairns, Que. Sired by Handsome Jack of Elmville, No. 15850; Dam, Plooy of Howick, No. 9312.

A useful young cow with good teeth, carrying a calf to an imported bull, a full brother to one which the Japanese government paid \$650 for as a yearling.

Kate of Edgewood, No. 20728; Dam of Primrose No. 16620, is in calf to a first prize bull and senior champion at Seattle World's Fair.

Previous to this purchase Mr. Stowell had one of the best Abyssinian herds in the district, but with this addition he now has one of the finest in the Province.

R. P. Purdy, who has been a member of the Merchants Bank here for a couple of years has been promoted to the branch at Castor and left for that point on Tuesday morning. Mr. Purdy has a host of friends here, who are glad to learn of his promotion, but who regret his departure from the city.

D. J. McKittrick is in Camrose this week on business.

Prompt relief in all cases of throat and lung trouble if you use Chamberlain's Cough Remedy. Pleasant to take, soothing and healing in effect. Sold by all dealers.

LASSER

The Gun Club paid a visit to Water Glen, on Saturday last to shoot for the Calgary Brewing Cup, which is open to all clubs in Alberta excepting Calgary and Edmonton. The cup, which was formerly held by Ponoka and Red Deer, has been in the possession of the Water Glen team for nearly three years. Although unable to bring back the trophy to Lasser, the boys made a good showing, scoring 54 birds out of a 75-bird shoot. Water Glen with a score of 61, still keeping possession of the cup. The combined score of the two teams on Saturday last was the biggest yet made for the trophy. Lasser was represented by Messrs. J. Saffron, J. Olson, G. Dahl, J. Johnstone and P. Birch.

Messrs. Creighton & West have their hardware store now running with a full line of goods.

The first construction and grading camp of the G.T.P. is situated three miles south of town. Three more grading machines are expected this week and the work on the right of way south will be rushed forward from now on. One camp remains in town to complete the work in and near Lasser, left over from last fall.

Mr. Johnston, from Daysland, was in town this week purchasing a lot on Main street. He contemplates building a store at once.

Ploughing has started in full swing throughout the district during the last week and seeding will be finished unusually early this spring.

Every family and especially those who reside in the country should be provided at all times with a bottle of Chamberlain's Liniment. There is no telling when it may be wanted in case of accident or emergency. It is most excellent in all cases of rheumatism, sprains and bruises. Sold by all dealers.

Council Proceedings

The regular meeting of the city council was held in the Council Chamber, Tuesday evening April 5th. All present. Minutes of last meeting read and approved.

Communications

Canadian Rubber Co. and Winnipeg Rubber Co. re the pieces on hose per foot.

Galt & Smith—asking the contract of Aug Johnson be signed for the putting in of sewer pipe. After the Mayor had read the specifications required in said contract, Ald. Olin—Angus moved that the contract be signed by Mayor and secretary—Carried.

Ald. Olin wanted to know if contractor or would be responsible for all accidents. The Mayor read the part of the contract dealing with that matter which states that the contractor shall be responsible for the public safety.

C. P. R. stating that they had refunded assessment on delayed piping as it was the railway's fault. Higgs—Olin—that letter be filed.

Ald. Olin recommended that a wire fence be put along a portion of the creek as soon as possible as it was dangerous to the public. On being asked the probable cost he thought as there was only about a quarter of a mile, that \$30 would do the job. He recommended that Public Works Committee be authorized to proceed with work at once by day labor and that the street at that point be levelled. This was seconded by Higgs and carried.

Public Works Committee reported that a hundred signs would be required to label the streets and would cost \$50. Ald. Nunneley thought names should be changed to streets and avenues. The matter was freely discussed but on motion of MacEachern, Nunneley was referred back to committee and solicitor to report re advisability of making the change.

Ald. Olin, as chairman Public Works Committee, stated that the creek was being filled to the level of the standing water. Mr. McPhail was doing the job. The reason was the removal of the stagnant water. Ald. Higgs thought that the complete filling of the creek should be proceeded with at once. Ald. Angus agreed with Mr. Higgs as so much waste material was being hauled to the nuisance ground that could be dumped in the bottom.

Moved by Olin—MacEachern—that Public Works Committee be empowered to proceed with leveling creek bottom and get information re compelling property owners to fill up the creek through their lots.

Poles and License Co. brought in a report recommending that a set of scales be purchased at once. Only one tender was received and on motion of Nunneley—Higgs opened. It was from the Canadian Fairbanks Co. and gave prices on a type registering beam and double beam scales. The representative was present and gave prices on other scales which were fully discussed by the council. Olin—MacEachern—that matter be left in hands of finance committee and Mayor to interview C. P. R. re land and that if arrangements could be made that other prices be obtained at once.

Moved in amendment by Higgs—Nunneley that matter be left in hands of finance committee and that they procure a scale with a registering beam. The motion carried.

Light and Power Committee reported re light account for Criterion Hotel stating that they had arrived at a settlement subject to the approval of the council. MacEachern—Higgs—that report be accepted.—Carried.

The committee that visited Calgary re chemical Engine gave a lengthy report claiming that the Everyready was the most satisfactory machine and recommended a four wheel horse drawn engine. MacEachern—Angus—That report be received.—Carried.

The agent for the Everyready Engine was present and gave a detailed description of his engine. The report that they were extremely dangerous was denied by him, as the Automatic relief valve made it impossible to have a blow up. Nunneley—Higgs—That report be laid on the table and that agents for both engines be requested to attend next meeting of council.—Carried.

Cemetery and Parks committee brought in report re purchase of trees, stating that the clerk had been instructed to order \$100.00 worth of trees and recommended that they be advertised in the local paper at 25 cents Higgs—Nunneley—That recommendation be adopted.—Carried.

MacEachern—Angus—That representative of the rubber companies be heard.—Carried.

A lengthy discussion took place on the merits of the different goods displayed. On the retirement of the agents the matter was further discussed. Moved by Higgs—Angus That 20

feet of red Crus Hoses be procured from the Canadian Rubber Co.—Carried.

Tenders for back filling on sewer were received from three parties. MacEachern Higgs—That tender of John Hawke for \$0.45 per foot be accepted and a contract be drawn up for satisfactory completion of work.—Carried.

Tenders were received for hauling sewer pipe—MacEachern—Angus That the tender of W. Eggleston for \$11.50 per car be accepted.—Carried.

Communication was received from tennis club asking for 10 loads of cinders to put on their court.

MacEachern—Angus That Mr. Manley be notified that council can't see its way clear to grant request as they need all the cinders they have for other purposes.—Carried.

Accounts were then passed as follows Waterworks and Sewerage \$200.30 General \$440.15.

Mr. Olin of Falun re lease of brick machine at \$1 per thousand bricks manufactured. MacEachern—Nunneley That offer be accepted. Carried.

Meeting adjourned

EDMONTON CHOSEN FOR NEXT PLACE OF MEETING

The first annual convention of the Alberta Educational Association was held at Calgary last week and the teachers and delegates have left for their various fields of labor declaring the gathering to have been a wonderful success and feeling that although the convention is a thing of the past the best part of it all, the harvest of good results as to spread its benefits with a liberal hand in every school district throughout the province, from east to west and from north to south.

The convention has given education a great impetus and will almost certainly prove to have been one great stride towards the perfecting of the educational system of the province. The information gained from the exchange of ideas the hints gathered from the many able discourses bearing on matters of pedagogy, the atmosphere of enthusiasm and optimism which pervaded the whole assembly, will, it is expected, continue to bring fruits until the year 1911, when another convention will probably be held and another great milestone in Alberta's educational life erected.

Not only has the convention been naturally beneficial to all who have attended but it has given the provincial department of education an opportunity to get its ear to the ground as it were, and hear what way the wind is blowing. The suggestions of such a large and representative body of educationalists, their opinions as to

Was Troubled With Dyspepsia.

changes necessary in curriculum, in school books, in system of teaching, in school discipline and in every thing pertaining to the profession of teaching and the ubiquitous problem, how best to educate the young, that they may grow up good, intelligent, loyal citizens of Canada, and a credit to the educational system of the province, should be worth of consideration. Harmony prevailed throughout the entire session. There were times when the discussions were keen, but everything was taken good naturedly and with a broad-minded consideration for the opinions and personal feelings of others.

Although there was considerable diversity of opinion expressed on many of the more important questions there was an evident desire on the part of all to decide on something that would be of the greatest benefit to all concerned. Bids for the 1911 convention were received from Calgary, Lethbridge and Edmonton, but when the matter was put to a vote the convention fell to Edmonton.

THE LAST RESORT

When all else failed, the Doctors said, "try Fruit-a-tives"

And "Fruit-a-tives" cured Mrs. Cadieux

PLANTAGENET, ONT., JANUARY 31ST, 1910.

"About March 1st 1909, I was taken deathly sick with Stomach Trouble, Backache and General Breakdown. I failed from 125 pounds down to 80 pounds, was confined to bed for eight weeks, and was unable to eat or keep anything on my stomach, vomiting nearly all the time. I expected to die, and took many remedies as well as employing different physicians. The doctors said to me 'try Fruit-a-tives' and they would cure me, nothing would."

Mrs. LAURENT CADIEUX

My husband bought "Fruit-a-tives" from Mr. Arthur Rolan, merchant of Plantagenet, and started taking them at once, and inside of ten days, I was able to leave my bed. My stomach got strong and I could eat and retain my food. I gained rapidly and soon had my usual good health back again, and today I weigh as much as ever, 125 pounds.

MRS. LAURENT CADIEUX.

Even the doctors are recommending "Fruit-a-tives". They realize now that these wonderful fruit juice tablets will positively cure all Stomach Troubles, Indigestion and Dyspepsia, and they are using "Fruit-a-tives" in their practice.

People realize the vital importance of keeping their blood pure. Impure blood is the chief cause of Stomach Trouble, because it is from the blood that the stomach obtains the fluid which digests food. When the blood is laden with impurities, the digestive fluid (for gastric juice) will be impaired. These impurities may come from a congested liver, from constipation, from weak kidneys, from an inactive skin, or from all four. Naturally, the ordinary "digestive powders" and "palein tablets" will not cure the trouble, because they only help to dissolve the food—they do not get to the seat of the trouble. "Fruit-a-tives" is the greatest remedy ever discovered for all forms of Indigestion, Dyspepsia and other Stomach Disorders, because "Fruit-a-tives" is unequalled as a blood-purifying medicine. "Fruit-a-tives" acts directly on the liver, regulates the bowels, strengthens the kidneys, stimulates the skin, and thus rid the whole system of all impurities. "Fruit-a-tives" will positively cure you of any kind of Indigestion. "Fruit-a-tives" is sold by all dealers at 50c a box, 6 for \$2.50 or trial size, 25c. If you are unable to obtain "Fruit-a-tives" conveniently, do not accept substitutes but send to "Fruit-a-tives" Limited, Ottawa, and the regular size packages will be mailed you, postpaid, on receipt of price.

CITY NEWS

R. W. Manley and W. H. Odell were at Canmore this week on professional business.

Mr. and Mrs. Jas. Bradley who have been spending a few days with friends at Hawthorn, returned to the city on Monday.

The friends of J. R. Willows are pleased to know that he has so far recovered from the operation he underwent as to be able to go on the street.

H. R. Smith and Len Murray were the delegates from Wetaskiwin to the baseball meeting held at Red Deer on Saturday last.

B. D. Anderson, who has been spending the winter in Colorado with Mrs. Anderson returned to the city on Friday last. He reports that he left Mrs. Anderson somewhat improved in health.

The Women's Auxiliary of Immanuel church will hold a Food Sale on Saturday, April 9th, from 1 to 6 p.m. in the furniture department of Walker & Davies' store.

The C. P. R. will spend \$150,000 on enlarging the depot at Calgary, adding two wings each 190 feet in length.

Three Americans entered for home stead lands in the west during February for every Canadian who filed.

Carlsson, of Edmonton was in the city the first of the week, on business.

The city council of Lethbridge has made a grant of \$3,500 to the Board of Trade for publicity purposes.

Dr. D. Green, V. S., recently from Ontario, has opened a veterinary surgeon's office in the city. He may be found at Wagner & Dore's blacksmith shop. See professional card.

There are 150,000 words in the English language, and most of them were used last Sunday by a lady who discovered after coming out of the church that her new hat was adorned with a tag, on which was written, "reduced to \$2.75."—Glencoe Transcript.

The advent of spring brings a revival of interest in the Wetaskiwin Fair, and it is the desire of the management that the business people of our city join with the farmers of the district in assisting the agricultural society in their efforts to make the exhibition a credit to the district.

The many friends of Mrs. Jas. B. Grant, of the Lewisville district, regret to learn of the death of her father, who had spent some time at the hospital in Wetaskiwin on Monday.

The person of Mr. James W. Brown deceased who was 73 years of age was born at St. Johns River, New Brunswick, and came to this country about a year ago and took up a homestead in the Buffalo Lake district. He was brought to the hospital here about two weeks ago. The funeral took place from the Wetaskiwin Undertaking Rooms on Tuesday afternoon, the services being conducted by Rev. A. R. Aldridge. A large number of friends of the family followed the remains to the Wetaskiwin cemetery where the interment took place.

John Timothy, who has the contract for the balance of the Canadian Northern branch from Stettin to Calgary, will start work next week. Within a week or two he will have several hundred men and as many grading teams at work and will rush the line in an effort to get into Calgary before the fall. He has let several sub-contracts, and is asking for all the men he can get for this work.

About 2:15 this morning, Father Blay, of the Catholic Mission of Spring Lake, noticed a reflection on from a fire and investigation proved that the Kanguesser story building, east of the church and which has been vacant for some months, was on fire. Nothing could be done to save it but fortunately no other buildings were near enough to catch. No particulars are yet obtainable but indications are that the fire was of incendiary origin.

—Dayland Press.

THREE DIVISIONS IN C. A. A.

BASEBALL LEAGUE

Red Deer, April 4.—The Central Alberta Amateur Baseball association was formed here Saturday night with the following officers: Hon. president, Hon. W. H. Cushing, Hon. vice-president, J. W. Ward, Edmonton; president, Robert Hainstock; first vice president, P. A. Miquelon, Wetaskiwin; second vice-president, P. A. Carler, Stettin; secretary, W. H. P. Cottingham, Red Deer; treasurer, Jas. Mann, Red Deer; executive committee, Fred Acker, Ladue; Bentley, Canmore; M. Bell, Aik; P. Miller, Lacombe; J. D. Canmore; R. McKenney, Innisfail. A constitution was drawn up and it was decided to divide the league into three divisions, winners to play off. The season will open about May 11th.

METHODIST CHURCH NOTES

The new League officials are: Pres., P. W. Tracey, Sec. Tracey, Jr., Marple; Vice-Pres., Mrs. Mellett and Miss Smith. Organist, Miss Kelley and Miss Chandler.

Children's service will be held next Sunday morning.

Next Sunday afternoon Rev. A. R. Aldridge will preach at Fernon Park school, Lucas neighborhood. He will also administer the Lord's Supper.

His Friend Said
"If They Don't Help or Cure You I Will Stand The Price."

Mr. J. B. Ruck, Orangeville, Ont., writes: "I was troubled with Dye-poxia and tried many different remedies but obtained little or no benefit. A friend advised me to give your Laxo-Liver Pills a trial, but I told him I had tried so many 'cure alls' that I was tired paying out money for things giving me no benefit. He said, 'If they don't help, or cure you, I will stand the price.' So seeing his faith, I bought two vials, and I was not deceived, for they were the best I ever used. They gave relief which has had a more lasting effect than any medicine I have ever used, and the beauty about them is, they are so easy to take. I believe them to be the best medicine for Liver trouble there is to be found. Price 25 cents a vial or 5 for \$1.00, at all dealers, or will be sent direct by mail on receipt of price."

BLOOD WILL TELL!

The Complexion Faithfully Mirrors its Purity or Impurity

Massage, cosmetics and the like sometimes improve a good complexion, and occasionally mitigate the badness of a bad one. But there is only one way to get that clear, satin skin, with the rosy tint of health glowing through, and that is by keeping the blood pure.

Impure blood will show itself. It makes the skin "muddy" or sallow, with pimples, blackheads or boils breaking out. It takes away the clearness from the eye, coats the tongue, makes the breath bad. It saps the energies and brings on headaches. It is fatal to good health or to the highest happiness or usefulness.

Purifying the blood is simply a question of keeping the four great eliminating organs—bowels, kidneys, the pores of the skin and the lungs—in good working order. These organs should throw off all the worn-out tissue and other impurities which the blood is continually gathering up throughout the body, and all the waste matter from the food.

The failure of any or all of them to perform these functions should be remedied at once, and it can be, quickly and certainly, by the use of Dr. Morse's Indian Root Pills. One of the ingredients of these splendid pills is open up the pores of the skin, another regulates the bowels, a third gives ease and strength to the kidneys and a fourth clears the mucus membrane of the lungs so that the gaseous impurities in the blood can pass freely through into the air.

Thus whatever may be the cause of the impure blood, Dr. Morse's Indian Root Pills remove it, and soon the veins are filled with pure, red, life-giving fluid.

Then, and only then, will you have a clear eye, a clean tongue, a sweet breath and a perfect complexion.

Mr. Richard Wilson, of Middlesex Co., Ont., writes: "For some time I have been in a low and depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores on the blood vessels formed all over my skin. I tried medicine for the blood and used many kinds of ointment, but without satisfactory results. What I wanted was a thorough cleansing of the blood. At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy."

HUMOR

HE WAS RIGHT, AS USUAL.

Higgins Finds It Unwise to Argue With His Wife.

Higgins is very fond of his wife, but sometimes they have little scraps as arguments, in which Higgins invariably comes out second best, though he likes to admit it even to himself.

"Ext. long ago Higgins thought he had 'got it on' Mrs. Higgins at last, as surely that she wouldn't have the last word. He came home one evening with one eye all red and inflamed and act in the best humor on that account. Mrs. Higgins became all concerned.

"What on earth is the matter with your eye, Henry?" she inquired sympathetically.

"Clashed," said Higgins shortly. "Let me get it out for you."

"Already out?" "Well, let me put something on it." "Don't need anything on it."

"Well, at least I'd like it to see better."

"No; just let it alone, and it will get well of itself."

"Henry, do let me bathe it in salt water for you," pleaded Mrs. Higgins. "Don't want any salt water on it, I tell you. The last thing to do for a sore eye is just to let it alone," said Higgins authoritatively.

The next day the eye was still inflamed, but Higgins resolutely declined to let any one "fool" with it. That afternoon he went down to the beach with a gay party of friends and disappeared with them in the sea, swimming and diving to his heart's content. At the breakfast table the next morning he noted with surprise that his eye no longer troubled him and seemed entirely well.

"You see now," he announced triumphantly to Mrs. Higgins, "my eye is cured already, and I didn't do a thing for it either."

"Yes, you did," returned Mrs. Higgins calmly. "You did exactly what I told you to do."

"I did nothing of the kind. I didn't touch it, and as a result my eye is already the same as ever. I tell you there's nothing like letting things alone."

"Didn't you go to the surf yesterday afternoon?" inquired Mrs. Higgins subtly.

"Yes, but what's that got to do with my eye?" said Higgins belligerently.

"Everything. The salt water cured it, just as I knew it would," ended Mrs. Higgins, with decision.

Higgins stalked from the room, bang and the door behind him in disgust. His wife was right again, as the usual New York Press.

The Calsonic Fog.

In an air lock it is common practice to note that while unloading—that is, raising through the lock, and as the pressure is being reduced by opening the discharge valve—a fog accumulates, becoming thick as the temperatures and pressure are lowered. The writer at one time was attacked by the beads, or the calsonic disease, after coming out of the old Hudson river tunnel. He was promptly taken into the "hospital," which was nothing but a horizontal tank about the size of a common locomotive boiler. The pressure, amounting at that time to some thirty pounds, was admitted, and it acted instantly to relieve pain and to produce normal conditions. He was told to open the throat valve and let the pressure out so that he might open the door. As he did this he noticed that the temperature was gradually lowered, and at a certain point, known as the dew point, he was enveloped in fog. The pain returned about this time, so that he shut off the discharge valve and opened the cock, admitting compressed air. The fog immediately disappeared, the temperature was slightly increased and the pain stopped. This condition was repeated several times, so that there is a means by which artificial fog may be produced at will. The same physical laws apply in the production of fog as in the condensation of moisture on the exterior of an ice pitcher or on a window pane in winter time.—Compressed Air Magazine.

Sweet Simplicity.

In the old days there was a professor of psychology at Dartmouth who was so absolute that it is doubtful if, at times he fully understood himself. One day he was professor than usual. He lectured for nearly an hour on topics away ever in the back of the book. The class was dazed. It was far above their heads, and they did not understand even the edges of it. When he had finished, the old man took out his watch and said: "Now, there are ten minutes of the hour remaining. If any student desires to ask me a question, I shall be glad to answer it."

"Yes, you did," returned Mrs. Higgins calmly. "You did exactly what I told you to do."

"I did nothing of the kind. I didn't touch it, and as a result my eye is already the same as ever. I tell you there's nothing like letting things alone."

"Didn't you go to the surf yesterday afternoon?" inquired Mrs. Higgins subtly.

"Yes, but what's that got to do with my eye?" said Higgins belligerently.

"Everything. The salt water cured it, just as I knew it would," ended Mrs. Higgins, with decision.

Higgins stalked from the room, bang and the door behind him in disgust. His wife was right again, as the usual New York Press.

The Sweetest Meat.

When Uncle Silas sat down to supper one evening his wife Chloe had a nice dish of savory fried chicken for him. The old man's eyes sparkled and his mouth watered as he gazed at the tempting viands, and he could scarcely wait to lay down the silver before him. After an eager mouthful or two he looked over at his wife.

"You see now," he announced triumphantly to Mrs. Higgins, "my eye is cured already, and I didn't do a thing for it either."

"Yes, you did," returned Mrs. Higgins calmly. "You did exactly what I told you to do."

"I did nothing of the kind. I didn't touch it, and as a result my eye is already the same as ever. I tell you there's nothing like letting things alone."

"Didn't you go to the surf yesterday afternoon?" inquired Mrs. Higgins subtly.

"Yes, but what's that got to do with my eye?" said Higgins belligerently.

"Everything. The salt water cured it, just as I knew it would," ended Mrs. Higgins, with decision.

Higgins stalked from the room, bang and the door behind him in disgust. His wife was right again, as the usual New York Press.

Still Greener.

"Well," said he, anxious to push up their quarrel of yesterday, "are you serious to know what's in this pocket yet?"

"Not very," replied the still belated wife indifferently.

"Well, it's something for the one I love best in all the world!"

"Ah, I suppose it's three suspender you said you needed?"—Catholic Standard and Times.

A Regular Romance.

Husband—Yesterday you sharpened your fond pencil.
Wife—Yes. How did you know?
Husband—This morning I tried to shave myself.—H. Davalos Ross.

Dashing Housewife.

He (speaking to her): "The eyes, you know, are the windows of the soul."
She (flippantly): "Suppose that accounts for their frequent glassy stare."—Baltimore American.

Professional Etiquette.

The Undertaker (who meets the doctor on the steps of a hotel)—After you, sir.—Black and White.

Putting It On.
"That man Careless has a very angry air. Has he money?"
"That's the reason he has the swagger air."—Detroit Free Press.

IN THE SUPREME COURT OF ALBERTA

BERTA

Judicial District of Wetaskiwin

Between:—

THE CALGARY BREWING & MALT

ING CO., LIMITED and

ROMERO J. MIQUELON

Plaintiffs

—and—

CAMILLE A. MIQUELON and PETER

PATENAUDE

Defendants

@

ORDER

Upon the application of the Plaintiff, upon hearing the solicitor for the applicant and upon reading the affidavits of Andrew R. Dickson and John D. Reilly filed.

1. IT IS ORDERED that service upon the defendant, Peter Patenaude of the writ of summons and statement of claim in this action by publishing this order together with the notice herein endorsed once a week for three weeks preceding the 15th day of April, 1910, in "The Times" newspaper published at Wetaskiwin, Alberta, be deemed good and sufficient service of the said writ and statement of claim.

2. And it is further ordered that the said defendant, Peter Patenaude, do enter an appearance to the said writ of summons and file his statement of defence in the office of this court at Wetaskiwin on or before the 25th day of April, 1910, and that forthwith a copy of this order, statement of claim and this order be mailed by prepaid registered post addressed to the defendant at Hardisty.

3. And it is further ordered, that the costs of this application be costs of the cause.

Dated at Calgary, Alberta, this 19th day of March, 1910.

"C. R. Mitchell"

C. J. S. C.

NOTICE

This action is brought to cover \$3711.70, the amount due on a mortgage, dated the 17th day of July, 1907 covering Lots 30 and 31, Block 3, Plan 945 R, and made by the Defendants, Peter Patenaude and Camille A. Miquelon, of Hardisty, Alta., and for an order that in default of such payment the mortgaged premises be sold or that the defendants do stand therefor absolutely declared and foreclosed of and from all interest in the said mortgaged premises. 2-31a

Beaver Family Sewing Machine

\$25.00

Drop Head Quarter Cut G. Iden Oak, Highly Finished
Every Machine Guaranteed

A handsome finely finished machine with nickel plated fly wheel, long center drawer and two drawers at each end of table. The head dropping into a wooden receptacle when closed, and being covered by the foot, forms a convenient table for writing, reading or sewing.

It has all the improvements known to the sewing machine art, such as equalized tensions, open end cylinder shuttle, direct acting feed and loose balance wheel, by which the bobbin can be wound with out running the machine.

It is simple in design and arrangement, speed, sturdiness and easy to run, and has fewer working parts than most machines. Each machine is supplied with a full set of attachments.

We have eight only of these machines, each one accompanied by a ten year guarantee, never before has a machine as good as this been offered at the price in Wetaskiwin, but while they last our price on this machine will be

\$25.00 spot cash

Fowler & Company

quently the explosion of gas tanks on its passenger cars, six persons now seriously injured in the City Street hospital, while the three cars are a smouldering mass of wreckage.

If a man is in love that's his business
If a lady is in love that's her business
